NexTier Bank Opens Full Service Office in Camp Hill, PA Donates \$50,000 to local organizations

BUTLER and CAMP HILL, PA April 1, 2019 – NexTier Bank (www.nextierbank.com) is pleased to announce the expansion of the Camp Hill Loan Production Office, located at 4231 Trindle Road, to a full-service branch. The full-service branch opened today, Monday, April 1st, and will host a Grand Opening for the community in early May. The Camp Hill location is the 29th branch for the Butler based bank.

NexTier Bank opened a loan production office on Trindle Road in 2017 and immediately recognized the opportunities to partner with businesses and organizations across the vibrant Central Pennsylvania market. This is NexTier Bank's first branch location outside of Western Pennsylvania.

"We are thrilled to expand our footprint into Central Pennsylvania", stated President and CEO, Clem Rosenberger. "We saw the potential to partner with local residents and businesses and hope our Camp Hill location will become a center for both business and community in the region. We invite everyone to stop by and tour the branch and meet our new Central Pennsylvania team."

NexTier Bank will offer Camp Hill and the surrounding communities a full-service branch and ATM, with a vast array of traditional banking products and services, as well as digital and mobile solutions to meet a variety of banking preferences. Bree Vance, a ten-year banking veteran, has been named Branch Manager. Vance will join John Havas, the Region's Market Manager, who has been with NexTier since 2017. Additionally, the bank has hired two full-time associates and one part-time associate to staff the branch.

To show their support of Central Pennsylvania communities, NexTier recently made local donations totaling \$50,000 to 5 local organizations. The East Pennsboro Education Foundation, Eagle Foundation, The Lion Foundation, The Wildcat Foundation, and the Whitaker Center for Science and the Arts each received a \$10,000 educational improvement donation from NexTier.

“As a community bank, we believe in investing in and supporting the communities we serve”, said John Havas, Senior Vice President and Central Pennsylvania Market Manager at NexTier Bank.

“Not only do we want to provide products and services to help families and individuals achieve financial success, but we also believe it is our responsibility to help local communities thrive. We do this, of course, with charitable giving, but we also encourage our employees to volunteer and become engaged with local organizations and we look for opportunities to support local businesses, the backbone of communities like Camp Hill and Mechanicsburg.”

NexTier Bank will be offering incentives for first-time customers when they open new accounts.

The public is invited to visit NexTier Bank in Camp Hill and to attend its grand opening celebration the week of May 6-10th. Details on the celebration will be forthcoming.
